COLLECTION

ROCKY MOUNTAIN®
H A R D W A R E

Known for Creating Fine Architectural Hardware,

Rocky Mountain also offers a complete Lighting Collection. Combining the warm texture of cast art-grade bronze with hand crafted glass, this collection is designed to gracefully span styles from contemporary to traditional. Whether used on their own, or to complement other Rocky Mountain Hardware products, these fixtures will make the perfect statement of elegance.

At Rocky Mountain Hardware we believe

that being environmentally responsible is part of our job. We are committed to developing sustainable business practices by making changes for the better—continuing to improve our products, our facilities and our processes.

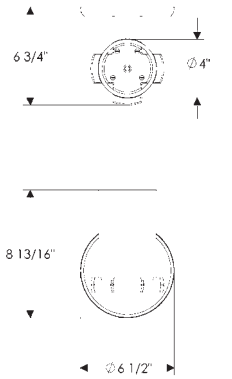

Rocky Mountain Hardware is a family owned and operated business, with all of our manufacturing taking place in our home state of Idaho. We are based here because we appreciate our remarkable surroundings: endless mountain ranges, alpine lakes and crisp, clean air. We take our responsibility to reduce our impact on the environment seriously. It's simply the right thing to do.

We are dedicated to the use of recycled bronze to create all of our products. Please visit our website to learn more about our certifications and how our products can contribute towards earning up to two USGBC LEED® points.
